

Apply today to the Sixth Annual...

S O U T H E A S T
BIO•PLAN
C O M P E T I T I O N

Why Apply?

- Gain exposure for your opportunity within the **Angel and Venture Capital** communities as all applicants will be presented to a select group of qualified investors.
- Gain exposure for your opportunity within your **State Life Sciences Industry Support** community.
- Engage the active interest and participation of your **Technology Transfer Office** in the commercial development of your opportunity.
- **10 Semi-Finalists** will be selected to undergo a rigorous 4-6 month mentorship process with a specially selected team of investors, entrepreneurs/commercialization specialists and service providers designed to help you write a development plan.
- **4 Finalists** will be selected to present to the full conference audience at the 14th Annual SEBIO Investor Forum being held October 31- November 1, 2012 at the Breakers Resort in Palm Beach, Florida. Each Finalist will be awarded private, one-on-one meetings with qualified investors from the Southeast (travel support included).
- **1 Winner** will be announced at the 2012 Investor Forum.
- The application is **free** and requires **minimal time** to complete. Just provide us with the following information:
 - A brief description of the underlying technology and anticipated product(s) that could emanate from further development of this opportunity.
 - A brief description of the status or stage of this technology's development, including associated intellectual property, if any.
 - A brief listing of the funding that has been used to support the development of the technology/opportunity thus far.
 - A brief description of the market(s) that could be addressed by the further development of this technology and how the anticipated product(s) will be distinctive in that market.
 - A brief description of the principal(s) who will be involved in the BIO/Plan mentoring process and on a forward-going basis thereafter, as well as their qualifications with regards to the development of the proposed commercial enterprise.

You can view the application online at: <http://sebio.org/southeast-bioplan-competition/>. **The deadline is April 13, 2012.**
